

North Norfolk Photographic Society exists to encourage and promote an interest in photography and enable all members to both appreciate and learn about all aspects of photography. The society was established in the 1950's and is affiliated to the Photographic Alliance of Great Britain through the East Anglian Federation of Photographic Societies.

**Membership Fees.** Annual membership fees are due at the first Meeting in September. They are £20 per annum for single membership or £25 to include a non-competing partner at the same address.
